Davenport Johnson Residence

New custom modern style wood framed house. The house is approximately 3100sf and cost \$1.15M to construct.

Manzarek Residence

An extensive expansion and renovation to an existing two-story wood framed 2577sf ranch house and 2,266sf garage. The estimated cost of construction was \$1.1M.

Menth Residence

A new two-story 5,960sf residence. Open floor spaces and the large circular stair opening in the middle of the structure required the use of some steel moment frames for vertical and lateral support.

Koch Residence

The project is a new 6,100sf custom home with a partial second floor.

Puma Springs

A new 5,000sf residence with a partially underground wine/root cellar.

Chalk Hill Road Residence

A new 5,000 square foot contemporary vineyard estate in the Alexander Valley designed by Robert G. Zinkhan, Architect, AIA.
